### **Lincoln Volunteer Opportunity**

*Lincoln Kindergarten is starting a program on reading to help students learn to read more easily and quickly. You would be reading one on one with students helping them go through the assignment. Times are between 8:40 and 10:40; choose your time and day or days of the week you would prefer and we will set you up with a teacher and a class. You can come any time between 8:40 and 10:40 or day to view the class and see how it works. Just let me know when you would like to come and I will be there to help you get comfortable. We are looking for many volunteers to help us out with this project to see how well it works in the school.*

### **Mc Kinley Elementary:**

*The 4th grade of McKinley is looking for volunteers to help in the classrooms during school hours. If you are interested, please let me know and we get you set up.*
