Lincoln Volunteer Opportunity

Lincoln Kindergarten started a program on reading to help students learn to read more easily and quickly. You would be reading one on one with students helping them go through the assignment. Times are between 8:40 and 10:40; choose your time and day or days of the week you would prefer and we will set you up with a teacher and a class. Just let me know when you would like to come and I will be there to help you get comfortable. We are looking for many volunteers to help us out with this project to see how well it works in the school.
